

CLI Project Management LLC

SDVOSB Certified

About CLI Project Management LLC:

CLI was founded in 1997 as a consulting firm in the Project Management arena. Hard work, attention to detail, and being able to hit the ground running – these are the attributes that make our team successful.

CLI Provides A Number Of Business Focuses, Including, But Not Limited To:

Project Management Staff Augmentation
Project Management Office Outsourcing
Hosting Your Projects in Our Virtual Office
Integrated Master Schedule Development

Baseline Creation and Management
Management of Your Status Cycles
Earned Value Management and Reporting
Schedule Quality Metrics

Bill Doyle, Principal: comes from a varied background spanning 35 years and covering the construction, energy/oil/gas, manufacturing, pharmaceutical research, aerospace, and engineering industries.

Saybrook and Associates, Alliance Partner: CLI has entered into a Strategic Alliance with **Saybrook and Associates** in order to augment CLI's Staffing needs and Virtual Tool set. This enables CLI to provide these addition to our existing services:

Program Management
Owner's Representation
Risk Management & Mitigation
Value Management

Project Controls: Cost/Schedule
Estimate/Cost Validation
Resource Management & Optimization
Dispute Resolution
